John Newman Cunneen was born on December 17, 1950 in Queens, New York. At the age of 15, he was an accomplished mandolin player and amateur film director. John met Judie when they were both 16 years old and became fast friends. On August 31, 1969, John passed away. When Judie began her journey towards becoming a professional psychic medium in 1975, John returned to help her with her clients. He was instrumental in helping professional rock musicians, actors, professional baseball players and co-writing the Tao of Baseball with Judie. One of John's passion is to help troubled souls to adjust to the other side. John continues to communicate through Judie on subjects he has a passion for, and has been a blessing to many of Judie's clients.
