The evening begins with Judie Palmer giving a brief introduction to the journey a soul takes through the afterlife stages of transformation and ascension and how it affects their communication skills with us. Afterwards, she turns her attention to loved ones who are able to send greetings to those in attendance. This will be done through her natural ability to communicate with spirits and billet readings, a technique used in the 1800s by spiritualists. You may receive a message from someone you didn't expect, a loved one you had in mind, or even a message from one of your spirit guides. Whether you receive a message or not, you will feel connected and find the evening educational, heartwarming, and healing. Judie's down-to-earth approach, and the friendly setting, makes everyone feel comfortable.

As a recognized professional Psychic Medium and spiritual counselor, Judie Palmer has captivated private and public audiences with her production, *Spirit Messages*, for over 20 years. Her natural born approach has helped more than 7,000 clients across the United States successfully be reunited with their deceased loved ones.

She has been a spiritualist counselor for over 40 years and is the co-founder of Natural Healings and the Academy Of Integrated Spirituality, a holistic educational center based in Martinez, California. Along with Ascended Master, Savhi, Judie is the author of *The Seven Stages Of Reincarnation*, *The Tao Of Baseball*, *Communicating With Spirit Friends*, and *Chakra Shower*. She is the current instructor for 6th Sense Studies, 5 Element Healing, and Chakra Healing for the academy.
