Acharya Samvitti Devi (Dana Swain Ph.D), has worked with kundalini for over 25 years and understands through direct experience the many stages and experiences that attend the energetic path of kundalini as it moves through the individual. Samvitti was initiated as an Acharya (teacher) in 2017 in the Rudrananda Pantha lineage by her teacher, Swami Khecaranatha. Samvitti is also an expressive arts therapist and a Jungian psychologist and she uses these skills and perspectives to help her students and workshop participants connect to their own sacred wisdom in the deep wellspring of their being.
